

A WORD ON THE DIVINE NAMES & TITLES

It is the privilege of MOSAIC to be able to proclaim the Divine Names (sometimes referred to as the Sacred Names).

It is the policy of MOSAIC to use the names and titles of Divinity to the general exclusion of the common English appellations, namely God, Jesus, etc. Substitutions of Divine Names and titles in extracts from other works will be made at the discretion of our compilers.

You, the student, are free to follow your own inclination.
